Welcome to Well Run and Profitable Water Sports Business

Huge opportunity to purchase a well run and profitable water sports tourism business in this growing industry, in the past two years this company has served just under 20,000 guests. The company has been in business for over ten years.

Contracts with all major cruise ship companies and a very good relationship with them, the company also serves stay over guests. All equipment is included which includes 2 boats and nearly US\$500K in fixed assets. This is a turn-key operation with major potential for further growth which serves the mass market. No real estate included in the sale. Contact agent for more details.
