Welcome to Queen's Highway Seafront Parcel

Incredible parcel of land on Queens Highway offering stunning elevated views in a beautiful location surrounded by many high-end multi-million dollar homes. Build your dream home in one of the most exclusive yet tranquil, quiet and peaceful parts of the island. Featuring a North view, this beautiful lot will allow ample shade while the incredible views are lit up from behind. Enjoy nice onshore breezes coming in from the North Northeast without the direct sun in your eyes. The unique topography of the land is elevated up to 30 feet at the road and gradually slopes down to the water featuring sand and loose stone beachfront.
