Welcome to CURIO Collection by Hilton – Seafront 2 BR Rental Suite(Silver Thatch Condo 1)

The CURIO Collection by Hilton will be a new luxury wellness and business boutique hotel situated on the edge of George Town. This two-bedroom, two-storey executive condo features a spacious and open living area on the first floor and two bedrooms on the second floor. There are only three of these executive units within the hotel, which makes this an exclusive area of the hotel. The location of these units is ideal in that they are situated right in front of the ocean with stunning views from the living area and large terraces as well as from the balcony off one of the bedrooms. The main floor has a fully-equipped kitchen where you can prepare your own meals if you so desire, with ocean views from the kitchen's island. The entire living space is orientated to take advantage of these incredible views. The second floor has two spacious bedrooms, each with an ensuite bathroom. This solid rental income investment also provides strong long term capital appreciation and 2 weeks each year for owner's use. Breathtaking sunsets all year! The facilities and amenities include a seventh floor spa spanning the entire top storey of the hotel featuring a state-of-the-art gym, yoga studio, thermal spa, sauna, hydro pool and more. Additional decadent facilities include two farm-to-table restaurants, resort-style pool with swim-up bar, juice bar, in-room wellness amenities, concierge, electric vehicle rentals, bicycles for guest use, wellness excursions, onsite watersports, parking, conference and meeting facilities, free high speed internet and wifi and much more. Curio Collection by Hilton™ is a global portfolio of remarkable hotels, each handpicked for its unique character and personality.
