## Welcome to Woodland Family Residence

Amazing Family Home nestled in a quiet up market street, 2 minutes from Countryside Shopping Mall and other amenities. A Mediterranean Style Tuscan inspired home featuring rich wood exposed beams and tray ceilings throughout the main ground floor living areas. This home has lots to offer a growing family. On the ground floor there are separate living and dining areas overlooking the pool through big windows. The ground floor suite can be used as a master or for guests. The second floor has 2 wings, the master wing has a very large bedroom leading on to the balcony overlooking the pool and beautifully lush landscaped gardens, as well as a cosy reading nook with a view of the front garden, en suite bathroom with walking his & her closets. The left wing of the second floor has a lounge area equipped with a snack bar and 2 spacious en suite bedrooms. Bonus 3 floor, spiral stairs leading up to an observation viewing tower. Other features too numerous to mention. This is an absolute must see.

Call for a viewing appointment to make this your forever home.
